LeetCode — GeeksforGeeks

Career Objective

Electronics and Communication Engineering undergraduate with strong foundations in Java, Python, Data Structures, Algorithms, Object-Oriented Programming, and Database Management Systems. Passionate about software development and problem-solving, with hands-on experience in web development, embedded systems, and AI-based applications. Seeking a Software Engineer role to contribute technical skills and develop innovative solutions.

Education

Bachelor of Engineering in Electronics and Communication Engineering 2023 – 2027
Sri Krishna College of Engineering and Technology, Coimbatore
CGPA: 6.9

Experience

Embedded Systems Intern, SCITA Solutions 14 Days

- Learned fundamentals of embedded systems and microcontroller programming.
- Worked on hardware interfacing and sensor integration concepts.
- Gained practical exposure to real-time embedded application development.
- Improved debugging and problem-solving skills in embedded environments.

Projects

Project Management Dashboard

Technologies: HTML, CSS, JavaScript

- Developed a web-based dashboard for project planning and task management.
- Implemented project tracking and progress monitoring features.
- Designed a responsive and user-friendly interface.
- Improved workflow management through centralized project information.

AI-Vision System for Smart Industry Management

Technologies: Artificial Intelligence, Machine Learning, Deep Learning

- Developed an AI-powered vision system for industrial monitoring.
- Applied machine learning and deep learning techniques for object detection.
- Enabled real-time monitoring and automated analysis.
- Improved operational efficiency through intelligent decision-making.

Technical Skills

Programming Languages: Java, Python

Core Subjects: Data Structures, Algorithms, Object-Oriented Programming, DBMS

Databases: MySQL, MongoDB

Tools: GitHub

Operating Systems: Windows, Linux

Other Skills: Problem Solving, Debugging, Software Development

Certifications

- Database and SQL Certification
- Java Certification
- NoSQL Certification
- Cyber Security and Applied Ethical Hacking Certification – Infosys
